MANAGEMENT DISCUSSIONS AND ANALYSIS REPORTS

Your Directors are pleased to present the Management Discussion and Analysis Report for the year ended **31st March, 2017**.

The management discussion and analysis have been included in consonance with the code of corporate governance as approved by the Securities and Exchange Board of India (SEBI).

The company undertakes no obligation to publicly update or revise any of the opinion or forward looking statements expressed in this report consequent to new information or developments, events or otherwise.

INDUSTRY STRUCTURE AND DEVELOPMENT

Indian financial market has displayed relative stability for the last several years, even when markets in the Asian region were facing a crisis. India's latest run of economic growth and continuing macroeconomic stability is a tribute the important progress made in recent year in macroeconomic management techniques as well as to an earlier generation of structural reforms. However, while growth and stability in the Indian market remains stable, turmoil in the Middle East and North Africa are adding uncertainty to the pace of global recovery. The financial downtrend in the US and Europe has an adverse effect on the pace of global financial recovery and has added to inflationary woes. Hence going forward countries will have to face the challenge of achieving growth while balancing inflationary concerns and growth momentum.

THE FINANCIAL AND OPERATIONAL PERFORMANCE

The financial statement is in confirmation with provisions of the Companies Act, 1956 and applicable accounting standard recommended by the Institute of Chartered Accountants of India. The financial statement reflects the genuine desire for the transparency and best judgment for the estimates made on prudent and reasonable basis to correctly reflect the true and fair affairs of the company.

The internal control systems are complemented by various Management Information System (MIS) reports covering all areas. The Management reviews and strengthens the controls periodically.

HUMAN RESOURCE DEVELOPMENT

The Company recognizes the importance of Human Resource as a key asset instrumental in its growth. The Company believes in acquisition, retention and betterment of talented team players. With the philosophy of inclusive growth, the Company has redefined its performance management system. The new system focuses on progression of individual employees together with organizational goals. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

New Instructions/Guidelines issued by the regulatory authorities were disseminated across the Company to ensure that the business and functional units operate within the boundaries set by regulators and that compliance risks are suitably monitored and mitigated in course of their activities and processes.

CAUTIONARY STATEMENT

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. “Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of S. P. CAPITAL FINANCING LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **S. P. CAPITAL FINANCING LIMITED** (“the Company”) as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate or for other reasons.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted-average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share are the net profit for the period. The weighted-average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
